Seekers Group—Room 202

The Great Spiritual Migration proposes that the conventional understanding of Christianity is ripe for a conversion: from system of belief to way of life, from exclusive Supreme Being to the loving, healing, reconciling Spirit embodied in Jesus, and from an organised institutional religion that supports an unjust status quo to an organising movement-building religion that helps a better world be born.

Join us as we wrestle with the questions of faith in today's culture.

Women's Study Group—Room 205

Gleaners—Room 209

We're all searching. Sometimes the search is easy: simply type a question and the answer pops up. But sometimes our questions are complicated, and the answers are difficult to see and harder to articulate.

How do we discover and examine the truths that give meaning and purpose to life? Adam Hamilton believes that some powerful answers are contained in the Apostles' Creed, an early statement of foundational Christian beliefs.

In this study Hamilton considers important questions of life, reality, and truth. He explores not only what Christians believe, but also why they believe it and why it matters.

Tippy's Friends/Sam's Club—Fellowship Hall

Life Cycles by Philip Gulley From infancy to old age. We will talk about the gift each stage has to offer society, the spiritual and philosophical insights and energies each stage brings to the table. For any community to thrive there must be a mutual regard between the generations. To harm the innocence of the newborn, to dismiss the idealism of the young or the creativity of the middle-aged, to ignore the wisdom of the aged is to invite disaster.

Weekly Bible Study—Thursday @ 6:30 pm Room 200

GENESIS — A beginning. An origin.

Knowing where you came from says much about where you are going. Perhaps that is why the first book of the Bible is a book of beginnings. God wants us to know from where we came. Learning that will teach us much about the place we are going.

This study highlights the themes of sin and its consequences as Max Lucado brings us back to the beginning of the Bible. This study reminds us that God's promises are ever present even in difficult times. Each lesson has a Scripture passage and questions to answer.

Retirement can be the most purpose-filled, satisfying, fun phase of your life!

Thousands of men and women are retiring each day, and many look forward to this phase of life with equal parts excitement and anxiety. Baby boomers have high expectations of retirement: they want to be redeployed to a life that is meaningful, significant, and full of joy. But this requires thoughtful planning, and many soon-to-be retirees wonder how they'll get there, or if they're even on the right path.

At the Crossroads, by Clayton Smith and Dave Wilson, is a six-week Bible-based study offering practical help for Christians who are approaching, entering, or already in retirement.
